

Carriage Trade Insurance Agency, Inc.

Your HR Resource

Does your organization need answers to specific HR questions?

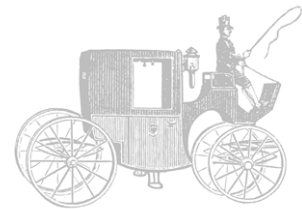

When you use HR Hotline, you will be communicating with HR professionals who can give you personalized advice and consultation. They can assist you with a variety of HR topics, including employee benefits, federal compliance, employee relations and much more.

Are your HR information resources scattered?

HR Hotline, accessed through MyWave Connect, is a convenient, one-stop source for all your pressing HR questions. HR Hotline gives you access to professional HR consultation and advice, all in one place.

Do you want access to additional resources?

After receiving individualized HR advice, you will be referred to additional relevant content within the portal to help you implement solutions right away.
